AUTOSOL® MARINE BOAT WASH SHAMPOO - FOAMLESS

Cleaning concentrate for all soiled surfaces on a boat. Dissolves oil and grease. pH-neutral and is bio degradable.

SHAM-15502

Bottle, 1000 ml

AUTOSOL® MARINE INFLATABLE BOAT & FENDER CLEANER

Extremely strong cleaner for removal of all kinds of contamination and adhesion from inflatable boats and fenders. Slight dissolving of the surface, leaves the dirt no chance to adhere. Optimal processing time due to slow-drying formulation.

CLEI-15810

Bottle, 500 ml

AUTOSOL® MARINE BOAT RUBBING CLEANER

Removes surface rust, overspray and stubborn soiling while protecting the paintwork. Fine scratches and scrapes are removed giving the surface a bright new shine.

BOAC-15310

Bottle, 500 ml

Product description

Product Code

Container, Contents

AUTOSOL® MARINE COMBI POLISH

Restores weathered, matt coloured and metallic finish paints to a glossy finish, removes the finest scratches and seals the surface with weather resistant polymer waxes. Also suitable for painted plastic parts and gelcoat surfaces.

BOAP-15210

Bottle, 500 ml

AUTOSOL® MARINE WATER LINE CLEANER - HEAVY DUTY

Very effective cleaning agent for discoloured boat surfaces and for covered parts with algae at or below the waterline. Also contains a corrosion inhibitor and is citrus scented.

CLEW-15800

Bottle, 500 ml

AUTOSOL® MARINE BOAT WAX

Low viscosity hard wax without any abrasive. Leaves a weather-resistant, high gloss film providing protection against wear and ultra-violet radiation.

WAXB-15010

Bottle, 500 ml

AUTOSOL® MARINE BLACK STREAK REMOVER

Powerful cleaner for the removal of black streaks on boats, yachts and ships. Also suitable for the removal of oil, grease, diesel and environmental pollution on gelcoat, plastic, metal, glass and laquered surfaces.

STRR-50400

Spray bottle, 500 ml

AUTOSOL® HIGH PERFORMANCE MARINE PROTECTION COATING

Seals and protects all painted & fibreglass gelcoat surfaces. AUTOSOL® High Performance Marine Protection Coating slows the effects of environmental influences like algae forming. Once sealed the surface is hydrophobic, so it will repel rain and sea water to help reduce salt residues. Easier cleaning of salt spots, water marks & stains.

PROM-53200

Bottle, 1 L

AUTOSOL® MARINE NANO PROTECTION HARD WAX

Protects the paint with high-performance nano components and modern polymers. Gives a brilliant deep gloss and extremely long-lasting protection to the paint from adverse weather conditions. Water simply runs off. Suitable for all paints.

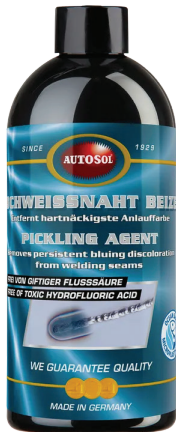

WAXB-53710

Bottle, 500 ml
